

Virtuality and reality

The design concept of combining virtuality with reality demonstrates the charm of reserving blank space.

Small office objects can be placed in the front wood tray.

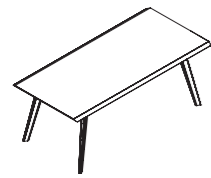

80 degree inclined drawers will give users a unique using experience.

User-friendly

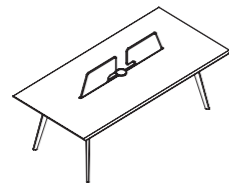

360 degree display platform
High-capacity storage can be used for organizing things orderly.
It utilizes space to the maximum.
Special back is designed with a 5mm modesty panel to prevent stuff from dropping.
The exquisite beveled plate manifests its user-friendly and qualified details.
